

- Everything *italicized* shows special needs in the schedule.
- **With so many field trips I moved games to minimize make-ups. This means a number of double games on certain league nights.**
- As changes occur I will post them in different colors. **Check the web daily for changes.** I will not call with changes unless they are within 24 hours of games. Remember all changes must come through the AD or Principal in writing at least 72 hours before the scheduled game.
- Good luck to all!

Please note that changes could occur anytime throughout the day of the colored change
